

## ABCO FOLDING WOODEN WALKING RAILS

**SKU:** ABC-PARBARFOLD3M-H

## PRODUCT DESCRIPTION

### Purpose & Benefits of ABCO Folding Wooden Walking Rails

ABCO Folding Wooden Walking Rails offers an elegant and practical solution for individuals needing additional support while walking, particularly in indoor environments. Crafted from wood, these rails blend seamlessly into home decor, providing a more aesthetically pleasing option compared to traditional metal rails. The folding mechanism ensures that they can be easily stored or moved, making them ideal for temporary installations or multi-use spaces.

## Features

- **Elegant Wood Construction:** Made from high-quality wood, these walking rails provide a sturdy support system while enhancing the visual appeal of any room.
- **Foldable Design:** The rails can be conveniently folded flat against the wall when not in use, preserving space and maintaining the aesthetics of the area.
- **Easy to Use:** Designed for simple deployment, users can easily extend the rails for support and fold them away after use without requiring tools or excessive effort.
- **Versatile Application:** Suitable for installation in various home settings such as hallways, bathrooms, bedrooms, or kitchens, providing support where it is most needed.
- **Safety Features:** Includes non-slip fittings and a smooth finish to prevent accidents and ensure a secure grip.
- **Adjustable Height:** Some models may offer adjustable height features to accommodate different user needs and preferences.

## Specifications

- **Material:** Crafted from durable and high-quality wood

- **Weight Capacity:** 200kg per rail
- **Care Instructions:** Requires regular dusting and occasional polishing to maintain its appearance and functionality. Avoid exposure to excessive moisture.

The ABCO Folding Wooden Walking Rails is an excellent choice for anyone looking for a supportive mobility aid that does not compromise on style. Their functionality and elegant design make them a preferred option in environments where appearance is as important as utility.
