SKU: SA1000021301-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Abena San Premium Incontinence Pad

The Abena San Premium Incontinence Pad is designed to provide exceptional protection and comfort for individuals experiencing moderate to heavy incontinence. This premium pad is highly absorbent, offering reliable leak protection and enhancing user confidence in managing incontinence. Suitable for both day and night use, it ensures skin dryness, reduces the risk of skin irritation, and maintains odour control, allowing users to remain comfortable and secure throughout their daily activities.

Features

- **High Absorbency:** Equipped with a highly absorbent core that includes superabsorbent polymers, efficiently locking away moisture and ensuring skin remains dry.
- **Leak Guards:** Features soft-standing leak guards that effectively prevent side leakages, providing an extra layer of security.
- **Odour Control:** Incorporates an advanced odour control system that neutralizes unpleasant smells, keeping the user feeling fresh throughout the day.
- **Breathable Backsheet:** The backsheet is fully breathable, promoting air circulation and reducing the risk of skin irritation or breakdown.
- **Anatomical Fit:** Designed to conform to the body's natural shape, ensuring comfort and discretion under clothing.
- **Dermatologically Tested:** Tested and approved by dermatologists, confirming that the pad is gentle on the skin and suitable for sensitive skin types.

Specifications

- **Material:** Composed of a soft, non-woven top sheet for comfort, a superabsorbent core to

contain fluids, and a breathable, leak-proof back sheet.

- **Size:** Available in various sizes and absorbency levels, tailored to meet the needs of different users.
- **Packaging:** Discreetly packaged and often available in bulk quantities for convenience.
- **Application:** Suitable for both men and women with moderate to heavy incontinence.
- **Care Instructions:** Disposable for single use, designed for hygiene and convenience.

The Abena San Premium Incontinence Pad is ideal for individuals seeking dependable protection against incontinence. With its advanced features focused on comfort, absorbency, and skin health, it ensures that users can lead an active and dignified life without concern for incontinence-related issues.
