

AGE PREPCARE COMFORT LOW BACK CHAIR WITH CASTORS

SKU: AGE100

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Age Prepcare Comfort Low Back Chair with Castors is a specially designed piece of furniture that combines comfort, mobility, and support, particularly catering to the needs of the elderly or those requiring additional seating assistance. This chair is an ideal choice for individuals who spend a significant amount of time seated and need a chair that offers both ease of movement and ergonomic support.

FEATURES

- **Low Back Design:** The chair features a low back construction, providing comfortable support to the lower and mid-back regions, which is essential for prolonged sitting periods.
- **Built-in Castors:** Equipped with smooth-rolling castors, the chair can be easily moved from one place to another, enhancing mobility within the home or care facility.
- **Sturdy Armrests:** Comes with robust armrests that offer additional support when sitting down or standing up, aiding in maintaining balance and stability.
- **Quality Upholstery:** The chair is upholstered with high-grade materials that are not only comfortable but also durable and easy to clean.
- **Ergonomic Seating:** Designed to promote a healthy seating posture, helping to reduce the risk of muscle strain and discomfort.
- **Adjustable Features:** Some models may offer adjustable seat height or backrest angles to cater to individual preferences and requirements.
- **Supportive Frame:** The frame is typically made from strong materials to ensure stability and long-lasting use.

The Age Prepcare Comfort Low Back Chair with Castors is an excellent option for those in need of a

supportive, comfortable, and mobile seating solution. It is particularly beneficial for older adults or individuals with limited mobility, offering them the opportunity to maintain independence and comfort in their daily activities.
