PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Air Comfort Compact Mobile Lift Chair – is a harmonious blend of luxury and functionality, meticulously crafted for those who seek exceptional comfort and impeccable design. With its unique features and state-of-the-art technology, this chair is not just a piece of furniture but an experience that redefines relaxation. Whether you're indulging in a leisurely afternoon or require specific support and mobility, this chair caters to all your needs, combining style, convenience, and unmatched comfort. Dive into its many features and elevate your lounging experience to unparalleled heights.

FEATURES

- **Pressure Relief:** At the heart of this chair is the exclusive Air Comfort Seating system. It's engineered to provide long-term pressure relief, ensuring maximum comfort for extended periods.
- **Modern & Easy Maintenance:** Outfitted with the VersoTela Theme material, the chair not only sports a contemporary look that complements any room décor but is also a breeze to clean.
- **Customizable Comfort:** Catering to your specific needs, it has a removable seat and back cushions. Tailor the chair's cushioning to your liking and enjoy customized coziness.
- **Power-Assisted Movements:** With its assisted electric sit, lift, and recline function, transitioning between positions has never been smoother. The twin-motor system ensures efficient and seamless operation, making every movement effortless.
- **Mobility & Positioning:** Fitted with 100mm front and rear castors, you can easily position the chair wherever you want. Whether you're looking to shift it to a cozy corner or bring it centre stage, maneuvering is a cinch.
- **Wall Saver Mechanism:** No more worries about scraping or damaging your walls. The chair's

Wall Saver mechanism ensures it reclines without coming into contact with your wall, preserving both the chair and your interiors.

- **Always Powered:** Unexpected power outages? Not a problem. The backup battery capability ensures the chair's functions aren't interrupted, giving you peace of mind.
- **Durability & Easy Upkeep:** This chair is not only easy to clean but also simple to repair and maintain. Its robust build ensures longevity, and its design means any maintenance is hassle-free.
