AIR COMFORT DELUXE BED V2 - ELECTRIC

SKU: AC59112

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Air Comfort Deluxe Bed V2 - Electric features a Patented Airgonomic Seating System that uses four air cells to provide immersive and cushioned comfort and is designed for patients who are between 1620mm to 1880mm in height.

The bed also includes an electric adjustable back recline, seat tilt, and raising legrest, as well as drop-away and adjustable armrests and back wings. The VersoTela Fusion material used in the design is specifically intended for pressure care and sensitive skin.

Manoeuvring the bed is made easy with its large castors, and it includes a one-directional lock castor to help with straight-line tracking. Customisation and colour options are also available.

This is also available in a standard Air Comfort Deluxe Bed V2 model.

FEATURES
