

AIR COMFORT DELUXE BED V2 - MAXI ELECTRIC

SKU: AC59115

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Air Comfort Deluxe Bed V2 - Maxi is an advanced therapeutic bed designed to provide exceptional comfort and support for individuals requiring extended bed rest or those with specific healthcare needs. This bed combines cutting-edge technology with user-centric design to offer an optimal sleeping and resting environment, particularly for bariatric patients or those at risk of pressure injuries.

FEATURES

- **Advanced Pressure Redistribution:** The bed is equipped with a sophisticated air system that adjusts pressure distribution dynamically, catering to the individual's body contours and movements to minimize pressure points and the risk of pressure ulcers.
- **Customizable Support:** Features multiple air cells that can be individually adjusted to achieve the perfect balance of support and comfort, ensuring that patients with varying needs are adequately accommodated.
- **Integrated Pump System:** A built-in, low-noise pump that continuously regulates airflow and pressure within the mattress and maintains a consistent and comfortable sleeping surface.
- **Easy-to-Use Control Panel:** The user-friendly control panel allows caregivers or users to easily adjust settings, including firmness levels and cycle times, for customized care.
- **Waterproof, Breathable Cover:** Includes a high-quality, stretchable cover that is waterproof yet breathable, promoting air circulation to keep the skin cool and dry, while also being easy to clean and disinfect.
- **Bariatric Capacity:** Specifically designed to support higher weight capacities, making it suitable for bariatric patients while ensuring stability and safety.
