

AIRLO8 KING SINGLE MATTRESS ONLY

SKU: LAU-AIRLO8KMATT

PRODUCT DESCRIPTION

PURPOSE & BENEFITS OF THE AIRLO8 KING SINGLE MATTRESS ONLY

The AirLo8 King Single Mattress is a high-quality replacement mattress designed to provide superior pressure relief for individuals at risk of pressure injuries. Featuring alternating pressure technology, this mattress helps reduce the risk of pressure sores and ensures optimal comfort during extended periods of rest. This listing is for the mattress only, excluding the pump system, making it a great option for those who need a replacement for their existing AirLo8 system. Ideal for use in both home care and healthcare settings, this mattress enhances patient care by offering targeted pressure relief and support.

FEATURES

- **Alternating Pressure Technology**: Provides continuous pressure redistribution, reducing the risk of pressure injuries for individuals with limited mobility.
- **King Single Size**: Suited for king single beds, making it ideal for larger bed frames in home care or clinical environments.
- **Mattress Only**: This product includes the mattress only and does not come with the pump system, making it a perfect replacement option for users with an existing pump.
- **Durable and Comfortable**: Constructed with high-quality materials to ensure long-lasting durability while maintaining a comfortable sleeping surface.
- **Waterproof and Easy to Clean**: The mattress is designed with a waterproof cover that is easy to wipe down and maintain hygiene.

SPECIFICATIONS

- **Size**: King Single - Width: 107 cm
- **Compatibility**: Designed to work with the AirLo8 pump system (not included)

- **Weight Capacity**: Suitable for users up to 180 kg
- **Cleaning**: Wipe clean with a damp cloth or disinfectant
- **Usage**: Ideal for home care or healthcare environments where pressure relief is necessary
