\$2,876.00

SKU: KA551

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The Alivio Picasso Dual Motor Lift Recliner is the perfect chair for those who want the ultimate comfort and convenience. With its dual motor system, you can easily recline all the way back or extend the footrest with just the touch of a button. The chair also features a power headrest that can be adjusted to provide the perfect level of support.

The Picasso is made with ultra-durable fabrics that are both stylish and comfortable. It also has lumbar support to help you maintain proper sitting posture. With a weight capacity of 158kg, the Picasso is perfect for people of all sizes.

FEATURES

- **Two-stage lift function:** This function allows you to raise the chair up to a comfortable height for getting in and out. It also helps to reduce strain on your back and legs.
- **Lay-flat chair:** This position is perfect for napping or watching TV. It provides maximum comfort and relaxation.
- **Footrest extension:** This feature extends the footrest to provide additional comfort and support for your legs. It is especially helpful if you have back pain or circulation problems.
- **Easy-to-use hand controller:** This controller makes it easy to adjust the chair to your desired position. It is also wireless, so you can control the chair from anywhere in the room.
- **Ultra-durable stylish fabric:** The fabric of this chair is made to last. It is also stylish and comfortable.
- **Lumbar support:** This feature helps to keep your spine in alignment and reduce back pain.
- **Power headrest:** This feature allows you to adjust the headrest to provide the perfect level of support. It is also helpful if you have neck pain or headaches.

The Alivio Picasso Dual Motor Lift Recliner is a great choice for anyone looking for a comfortable and convenient chair. It is perfect for people of all ages and abilities, and it has a variety of features that make it the perfect chair for relaxation and comfort.
