PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The 66Fit Exercise Ball & Posture Balls have been manufactured exclusively for Whiteley Healthcare. They have a non slip vinyl surface, and are ribbed to give an extra sense of security. The antiburst balls are rated at 550kg/1,212lbs.

FEATURES

- A durable, flexible and firm ball
- Feature a non slip surface with ribbing for extra security
- An anti-burst ball rated at 300kg
- Available in eight different ball sizes
- **All 66fit Exercise Balls come with a Foot pump**

A great tool to enhance:

- Posture
- Performance
- Flexibility
- Strength and Muscle tone

Stability balls are an adaptable piece of wellness equipment utilised in the workplace gyms, homes and also in physical therapy sessions. Also known as Physio balls, exercise balls, Swiss balls and balance balls, the intention of the ball is to enhance strength, balance and muscle tone.

Buy these 66FIT Exercise Balls online at Medimart Australia, we have NDIS Payment methods as well as AfterPay and ZipPay.
