

AMBASSADOR VINYL PREMIER A4 BARIATRIC RECLINER

\$7,750.75 - \$10,815.00

SKU: PA4VINYL-H

PRODUCT DESCRIPTION

Purpose and Benefits

The Ambassador Vinyl Premier A4 Bariatric Lift Chair is designed to provide maximum comfort, support, and independence for individuals who require a higher weight capacity seating solution. With a safe working load of up to 370 kg, this chair is ideal for users seeking a durable and reliable lift and recline chair that allows smooth and safe transitions between sitting and standing.

Its heavy-duty construction, supportive cushioning, and customisable design make it suitable for both home and healthcare environments. The A4 model combines functional assistive features with high-end comfort, helping to improve daily living for users with mobility challenges.

Features

- Four-motor design allows independent operation of backrest and footrest
- Leg rest elevates 85 mm above seat height to improve lower limb circulation
- Reinforced steel frame construction for long-lasting structural support
- Customisable seat width from 69 cm to 95 cm to suit user needs
- Upholstery covers are removable and replaceable for hygiene and convenience
- Rechargeable backup battery enables operation during power outages

- Two built-in side pockets and a hand control hook for easy access
- Optional accessories include armrest covers, headrest pillow, and pressure care cushions
