

ARJO GENERAL PURPOSE POLYESTER SLING WITH HEAD SUPPORT

\$500.00

SKU: MLA2000-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Arjo standard padded loop sling is used on 2-point loop spreader bars. The slings are intended for everyday patient handling routines. The padded sling with head support offers padding for the leg area of the sling, increasing comfort and helping to prevent the material from roping and creasing under the resident's/patient's legs. Padded loop slings are available in four sizes (S, M, L and XL).
