

ARJO SARA PLUS STANDING SLING

SKU: KKA5120-H

PRODUCT DESCRIPTION

ARJO SARA PLUS STANDING SLING - PURPOSE

The Arjo Sara Plus Standing Sling is an integral component designed specifically for use with the Arjo Sara Plus stand aid, a mechanical device to help patients transition from sitting to standing positions. This sling aids caregivers in efficiently and safely lifting and transferring patients, ensuring both the patient's and caregiver's safety and comfort.

FEATURES

- **Secure Fit:** Designed to offer patients a firm yet comfortable hold, ensuring confidence during transfers.
- **High-quality Material:** Crafted from durable materials that resist wear and tear, ensuring longevity and repeated usage.
- **Easy Application:** Intuitively designed for quick and easy application and removal.
- **Optimal Weight Distribution:** Provides support to the user in the right areas, ensuring smooth transitions.
- **Hygienic:** Made with easy-to-clean materials to maintain cleanliness and hygiene.
- **Compatibility:** Exclusively designed for Arjo Sara Plus but may also fit other similar devices.
- **Available in multiple sizes:** S, M, L, XL

BENEFITS

- **Safety First:** Provides secure and comfortable support, reducing the risk of accidents during transfers.
- **Enhanced Mobility:** Enables patients to achieve a standing position from sitting with the

assistance of caregivers.

- **Reduced Caregiver Strain:** Lessens physical strain on caregivers, minimizing the risk of back injuries.
- **Promotes Independence:** Allows patients to feel more involved in their transfer process, promoting a sense of independence.

APPLICATIONS

The Standing Sling is suitable for:

- Hospitals, rehabilitation centres, and clinical environments.
- Elderly care facilities or assisted living centres.
- Home care, especially for patients requiring frequent transfers.

SPECIFICATIONS

- Safe working load: 190 kg/418 lbs
