PRODUCT DESCRIPTION

Purpose & Benefits of the Aspire 460mm Swing Away Footrest Shower Commode

The Aspire 460mm Swing Away Footrest Shower Commode is specifically designed to aid individuals with limited mobility in maintaining independence and safety in the bathroom. This versatile and durable commode combines the functionality of a shower chair and a toilet, featuring swing-away footrests that enhance user comfort and facilitate easy transfers. It is ideal for users who require support during showering or toileting, offering a secure, comfortable, and accessible hygiene solution.

Features

- **Swing Away Footrests:** Equipped with footrests that can be easily swung away or removed, providing flexibility for users during transfers and while seated.
- **Durable Construction:** Made with corrosion-resistant materials suitable for wet environments, ensuring longevity and safety.
- **Comfortable Seating:** Includes a padded seat with a hygiene cutout, designed to offer comfort and ease of use during extended periods of sitting.
- **Lockable Casters:** Comes with lockable casters to ensure the commode remains stable and secure during use, preventing any unwanted movement.
- **Compact Size:** The 460mm width is compact enough to fit in most bathroom spaces while still providing ample seating space for the user.
- **Easy to Clean:** The design and materials allow for easy cleaning and maintenance, which is essential for hygiene and durability.

Specifications

- **Material:** High-quality, waterproof materials like stainless steel or coated aluminium, known for their durability and resistance to corrosion.
- **Seat Width:** 460mm, providing a comfortable seating area without taking up excessive space.
- **Safe Working Load:** 200kg
- **Care Instructions:** Simple to clean with non-abrasive cleaners; recommended to wipe dry after use to prevent water spots and maintain material integrity.
- **Seat, pan, and pan carrier not included - sold separately**

The Aspire 460mm Swing Away Footrest Shower Commode is a practical and essential tool for anyone needing assistance with daily hygiene tasks. It enhances the safety and comfort of users, allowing them to maintain independence while managing mobility limitations in a secure and dignified manner.
