

ASPIRE 530MM WEIGHT BEARING PLATFORM SHOWER COMMODE

SKU: BTC066050-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Aspire 530mm Weight Bearing Platform Shower Commode

The Aspire 530mm Weight Bearing Platform Shower Commode is designed to provide a safe, stable, and comfortable hygiene solution for individuals with limited mobility. This robust and versatile device aids users in showering and toileting, accommodating those who require additional space and support. With a broader seat and reinforced frame, it is particularly suitable for larger individuals or those who need extra room and stability during their hygiene routines.

Features

- **Enhanced Weight Capacity**: Constructed to support higher weight limits, making it ideal for bariatric users or those needing additional support.
- **Wide Seat Design**: Features a 530mm wide seat to ensure comfort for larger individuals, providing ample space and reducing pressure points.
- **Durable Construction**: Built with high-grade, corrosion-resistant materials suitable for wet environments, ensuring longevity and safety.
- **Padded Comfort**: Equipped with a soft, padded seat that includes a hygiene cutout, enhancing comfort during use and accommodating both showering and toileting needs.
- **Lockable Casters**: Comes with lockable casters to ensure stability and safety when in use, preventing movement that could lead to slips or falls.
- **Swing-Away Armrests**: Armrests can be swung away or removed for easier transfers, adding to the unit’s versatility and user-friendliness.

Specifications

- **Material**: Made from stainless steel or coated aluminium, both known for their strength and resistance to corrosion.
- **Seat Width**: 530mm, providing a spacious seating area.
- **Safe Working Load**: 200kg
- **Care Instructions**: Easy to clean with standard non-abrasive cleaning agents; recommended to dry after each use to maintain optimal condition.
- **Seat, pan, and pan carrier not included - sold separately**

The Aspire 530mm Weight Bearing Platform Shower Commode is an essential piece of equipment for enhancing the independence and safety of individuals with mobility challenges, offering them dignity in their personal care routines. Its sturdy build, safety features, and thoughtful design make it a valuable addition for both home and healthcare settings.
