

ASPIRE 600MM SWING AWAY FOOTREST SHOWER COMMODE

SKU: BTC061300-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Aspire 600mm Swing Away Footrest Shower Commode

The Aspire 600mm Swing Away Footrest Shower Commode is specifically engineered to provide a safe, comfortable, and accessible solution for individuals requiring assistance with showering and toileting. This model is particularly well-suited for larger individuals or those who appreciate a bit more space for comfort and ease of movement. The swing-away footrests are a key feature, enhancing the ease of transfers and accessibility, making it an ideal choice for those with mobility challenges.

Features

- **Wide Seat Design**: At 600mm, the seat offers ample space, providing comfort and support for larger users or those who require additional room.
- **Swing Away Footrests**: Footrests that can swing away improve user accessibility and facilitate easy transfers in and out of the commode, enhancing independence.
- **Durable Construction**: Constructed from high-quality, corrosion-resistant materials to ensure longevity and safety, even in wet bathroom environments.
- **Lockable Casters**: Equipped with lockable casters to secure the commode in place during use, providing stability and preventing unwanted movement.
- **Padded Seat with Hygiene Cutout**: Offers enhanced comfort during use and is designed with a hygiene cutout for ease of toileting.
- **Easy to Clean**: The materials used are easy to clean and maintain, supporting optimal hygiene and durability.

Specifications

- **Material**: Made from stainless steel or coated aluminium, offering excellent durability and resistance to water damage.
- **Seat Width**: 600mm, providing a spacious seating area.
- **Safe Working Load**: 200kg
- **Care Instructions**: Easy to clean with standard non-abrasive cleaners; regular maintenance is recommended to ensure longevity.
- **Seat, pan, and pan carrier not included - sold separately**

The Aspire 600mm Swing Away Footrest Shower Commode is an exceptional choice for healthcare settings or home use, providing essential support for those with limited mobility. Its broad seat, robust design, and functional features ensure that users can maintain hygiene independently and comfortably, promoting dignity and enhancing quality of life.
