

ASPIRE ALTITUDE SINGLE ACTION RECLINER

SKU: CHP227705

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Aspire Altitude Recliner is an innovative electric recliner chair crafted to ensure long-lasting comfort. Whether it's for aged care facilities, homes, or hospitals, this recliner seamlessly combines mobility, durability, and user-friendly features.

FEATURES

- **All-Day Battery Power:** Keep the recliner operational without constant power plug-ins, thanks to its built-in battery. Please note that recharging is necessary.
- **Smooth Relocation:** With its 75 mm Tente castors, easily move the recliner between locations or residents. The rear locking feature enhances safety during movement.
- **Pressure Injury Prevention:** The chair's seating surface is made from a multi-stretch vapour-permeable material, specifically designed to prevent pressure injuries and promote skin health.
- **Medical-Grade Vinyl:** Ensuring extended durability and better infection control, the chair's outer surface is made from medical-grade vinyl.
- **Easy Transfers:** Facilitate safe lateral patient transfers with the chair's removable armrests.
- **Triple-Tiered Backrest:** Enhance the user's comfort with a three-tiered backrest cushion, promoting extended relaxation.
- **Optional Oncology Armrests:** These armrests (CHP227715) are designed to offer wide forearm support, particularly aiding in procedures like blood transfusions. This feature elevates patient comfort and ensures effective treatment administration.
- **Versatile Armrest Table:** The optional armrest table (CHP227720) is a convenient addition for placing personal items or medical instruments during treatments.

The Aspire Altitude Recliner is more than just a chair – it's a comprehensive solution for varied care

needs. It provides an optimal blend of comfort, mobility, and durability, making it an indispensable asset for various health and care facilities. This recliner is tailored to enhance user experience, ensuring safety, comfort, and efficiency in every use-case scenario.
