PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Aspire Bath Sponge - Long Handled** is designed to promote independence and ease of use when bathing or showering. Featuring a soft, absorbent sponge attached to an extended handle, it allows users to reach and wash difficult areas without bending or straining. Ideal for individuals with limited mobility, flexibility, or reduced reach, it helps maintain personal hygiene safely and comfortably.

FEATURES

- Soft, absorbent sponge provides gentle and effective cleaning
- Long handle assists with reaching hard-to-access areas
- Promotes independent bathing and personal care
- Suitable for use in the bath or shower
- Lightweight and easy to handle for users with limited strength or mobility

SPECIFICATIONS

• Product Type: Long-handled bath sponge

• Use: Bath or shower

Material: Soft absorbent sponge with durable handle
Purpose: Increases bathing flexibility and independence
