

## ASPIRE HANDIBAR ASSISTBAR

**SKU:** DLG271660

## PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

For individuals requiring a touch of assistance with car entry and exit, the Aspire Handibar AssistBar is a game-changer. By simply inserting it into the car door frame's locking mechanism, it becomes a stable and supportive handle, ensuring safety and independence during transfers.

### FEATURES

- **Promotes Safe Vehicle Entry and Exit:** Designed with user safety in mind, the AssistBar ensures that getting in and out of a vehicle becomes a seamless process, minimizing the risks of slips and falls.
- **Wide Compatibility:** Thoughtfully designed to fit a majority of cars, making it a versatile choice for users with different vehicle models.
- **Emergency Preparedness:** Beyond assistance, the AssistBar also prioritizes safety during unexpected situations. It's equipped with a glass breaker and a seatbelt cutter, ensuring that users are prepared to handle emergencies when every second counts.
- **Stable Support for Transfers:** By providing a solid grip, it eases the transfer process, offering users a reliable support handle, and allowing them to maintain balance and confidence while moving in or out of the car.

The Aspire Handibar AssistBar isn't just a support tool; it's a testament to prioritizing user safety and independence. Whether it's the simple act of getting into a car or being prepared for unforeseen emergencies, this AssistBar has been crafted keeping every user's need in mind. A blend of practicality and emergency preparedness, it stands out as an essential companion for those seeking both stability and safety during their car journeys.
