

ASPIRE HEEL PROTECTOR

\$62.00

SKU: PTA503360

PRODUCT DESCRIPTION

Purpose & Benefits

The **Aspire Heel Protector** is designed to offload pressure from the heel and redistribute it across the lower leg, helping to prevent pressure injuries and improve comfort for individuals at risk of heel ulcers. Its intelligent leg support zone, soft materials, and adjustable fit make it ideal for both clinical and home care environments.

Features

- Intelligent leg support zone offloads pressure from the heel and redistributes it across the lower leg
- Soft, breathable natural cotton fabric outer for comfort
- Cushioning silicone fibre inner promotes airflow and skin microclimate management
- Seams are located within padding folds to avoid pressure points
- Adjustable Velcro straps ensure a snug, universal fit
- Machine washable for easy care
- Sold as a pair
