\$395.00

SKU: BEA028110

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introduce convenience and functionality to your living space with the Aspire Over Bed Table – Split Table Top. This over-bed table is designed to offer flexibility and ease, catering to a range of activities like reading, writing, or enjoying meals from the comfort of your bed or chair.

FEATURES

- **Split Table Top Design:** The innovative split-top design features a tiltable section for reading or electronic device viewing and a fixed section for stable placement of food and drinks.
- **Height Adjustable:** Easily adjust the height of the table with a simple, user-friendly mechanism to suit various bed or chair heights.
- **Tilting Top:** The tiltable section can be adjusted to various angles, providing an ergonomic position for reading or using a laptop.
- **Lockable Castors:** Equipped with lockable castors to ensure the table stays securely in place when in use.
- **Durable Construction:** Made with a combination of sturdy materials that can handle daily wear and tear.
- **Easy to Clean Surface:** The tabletop has a smooth, clean surface for convenient maintenance and hygiene upkeep.

The Aspire Over Bed Table with its split tabletop is an exemplary addition to any homecare setting, offering the ultimate in convenience for individuals spending significant time in bed or seated. Its dual-section design maximizes usability, making it a versatile and indispensable piece of furniture.
