PURPOSE & BENEFITS

The Aspire Overbed Table is the perfect companion for those confined to a bed or chair. Whether you're in a hospital, care facility, or just at home, this lightweight mobile table is designed to enhance your comfort and functionality, ensuring everything you need is within arm's reach.

FEATURES

- **Versatility at its Best:** Designed to smoothly position over a bed or chair, it serves multiple purposes from eating and writing to drawing or holding your personal items.
- **Optimal Surface:** The flat top makes it an ideal choice for a variety of activities, whether in a medical setting or home environment.
- **Height Adjustability:** With its fully adjustable height feature, you can set the table to your preferred level. The added fixing knob ensures that the table remains securely in place, providing peace of mind.
- **Close Positioning Design:** Thanks to its unique C base shape and the fitted four castors, the table can be effortlessly maneuvered to sit closely beside a bed or chair, ensuring maximum convenience.
- **Sturdy Build:** The table is constructed using a powder-coated mild steel frame, guaranteeing durability and longevity.
- **Finishing Touches:** Choose between a standard cream laminate top with a protective vinyl wrap around the edges or opt for the thermoform cream top, which is specially designed to be heat resistant, providing an added layer of protection against hot items.

The Aspire Overbed Table is not just a piece of furniture but a solution designed to improve the user's experience, be it for patients in hospitals, residents in care facilities, or individuals at home. With its

myriad of features, it ensures that comfort and convenience are always at the forefront. Enhance your daily routines and activities with the Aspire Overbed Table, a blend of functionality and thoughtful design.
