

## **ASPIRE STAR MOVER - PATIENT MOVER**

**\$2,968.00**

**SKU: LSS390580**

## **PRODUCT DESCRIPTION**

### **PURPOSE & BENEFITS**

The Aspire Star Mover offers a safe and comfortable solution for patients and carers doing sit-to-stand transfers. The compact and versatile design is perfect for Homecare, Institutional, and Aged Care environments. A wide seat entry suits a larger range of body shapes. Low footplate height makes patient entry and exit easier.

Large 100 mm rear locking castors have low rolling resistance and offer a smooth ride during transportation.

A narrow base improves access in tight spaces. Height adjustable knee support ensures correct positioning for a larger patient height range. Easy access seat pad handles provide reach-around access to carers. A soft-touch grab bar provides comfortable patient support for improved stability and confidence during transfers.

Width adjustable legs with tapered close position allow access between and, or around chair legs.

### **FEATURES**

- The Aspire Star Mover offers a safe and comfortable solution for patients and carers doing sit to stand transfers.
- The compact and versatile design, is perfect for Homecare, Institutional and Aged Care environments.
- Wide seat entry suits a larger range of body shapes.
- Low footplate height makes patient entry and exit easier.
- Large 100 mm rear locking castors have low rolling resistance and offer a smooth ride during

transportation.

- Narrow base improves access in tight spaces.
- Height adjustable knee support ensures correct positioning for a larger patient height range.
- Easy access seat pad handles provide reach-around access to carers.
- Soft touch grab bar provides a comfortable patient support for improved stability and confidence during transfers.
