PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **ATMOS Ultra-Lite Headrest Kit** is a lightweight, easy-to-use accessory designed to enhance comfort and support for users of the Atmos Ultra Lite Wheelchair range. Its adjustable design ensures optimal head positioning and stability, improving overall posture and comfort during daily use. The headrest attaches securely and conveniently folds with the chair, eliminating the need for disassembly when storing or transporting the wheelchair.

FEATURES

- Easy-fit headrest with adjustable height and angle for personalised comfort
- Mounting bracket folds seamlessly with the chair—no need for removal
- Lightweight, durable construction for long-term use
- Designed specifically for the Atmos Ultra Lite Wheelchair range
- DVA approved for eligible users
