

### **AURORA S2 ENCLOSED CANOPY**

**\$2,231.00**

**SKU: S840C-HC-SS**

## **PRODUCT DESCRIPTION**

### **Purpose & Benefits**

The **Aurora S2 Enclosed Canopy** provides exceptional protection from the elements, delivering enhanced comfort and visibility for users of the Merits Aurora S2 mobility scooter. Built with rigid polycarbonate screens and durable PVC fabrics, this top-tier canopy shields against wind, rain, and glare while maintaining excellent visibility and airflow.

**Please note:** This model does not include batteries.

### **Features**

- Rigid 2 mm polycarbonate front and rear screens for clear, durable visibility
- PVC nylon roof with large roll-up side doors for easy access and ventilation
- Fast, tool-free attachment—designed specifically for the S846 range (including S2)
- Maximises visibility and scooter light functionality at night
- Roof offers protection from sun glare
- Optional reverse camera compatible
