PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Magnetic Mount Kit** provides a simple and secure way to install your Bellman smoke or CO alarm without the need for screws or wall plugs. This convenient mounting solution uses strong self-adhesive magnetic plates to ensure quick installation and easy removal for maintenance or battery replacement.

FEATURES

- Tool-free installation — no screws, plugs, or drilling required
- Strong magnetic hold keeps your alarm securely in place
- Easy to detach and reattach for cleaning or battery replacement
- Includes self-adhesive ceiling and magnetic plates
- Ideal for use in homes, apartments, and rental properties

SPECIFICATIONS
