PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Visit Baby Cry Bridge Pro Pack** is an advanced home alert system that ensures you never miss critical notifications such as a baby crying, smoke alarms, phone calls, or SMS messages. Designed for parents, caregivers, and individuals with hearing loss, it delivers strong wrist vibrations and visual alerts across a range of up to 100 metres, providing safety and peace of mind both day and night.

FEATURES

- Provides powerful wrist vibrations and visual cues for instant alerts
- Integrates with Bellman smoke detectors and baby cry transmitters
- Forwards alerts to the wrist receiver, alarm clock (with bed shaker), and mobile devices via Bluetooth Bridge
- Supports call and SMS notifications through Bluetooth connectivity
- Expandable system - compatible with additional Bellman Visit transmitters and receivers
- Reliable 100m wireless range throughout the home

SPECIFICATIONS

- **Coverage:** Up to 100 metres (open field)
- **Alert Types:** Vibrations, visual light signals, audible alarm, and bed shaker
- **Connectivity:** Bluetooth 5 for mobile and tablet pairing
- **Compatibility:** Works with all Bellman Visit transmitters and receivers
- **Power Supply:** Rechargeable wrist receiver and mains-powered alarm clock
