PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Visit Flash Receiver** is an essential part of the Bellman Visit smart home alerting system, designed to notify you of important events through bright flashes and colored light indicators. Ideal for individuals who are deaf or hard of hearing, it alerts you to doorbells, phone calls, baby monitors, and smoke alarms, ensuring you stay aware of activity around your home at all times.

FEATURES

- Provides bright, high-intensity light flashes for instant visual alerts
- Color-coded indicator lights identify different types of alerts (doorbell, phone, baby, fire)
- Integrates seamlessly with all Bellman Visit transmitters and accessories
- Reliable even during power outages with built-in battery backup
- Compact, easy-to-place design suitable for any room

SPECIFICATIONS

- **Function:** Visual alert receiver for Bellman Visit system
- **Alert Type:** Bright white flash with colored indicators
- **Power Supply:** Mains powered with backup battery
- **Compatibility:** Works with all Bellman Visit transmitters
- **Included Items:** Flash Receiver, Power Supply, Battery Backup
