PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Visit Long Range Doorbell Kit** provides a reliable and easy-to-install door alert solution for individuals who are deaf, hard of hearing, or need a visual or vibration-based doorbell notification. With a 100-metre transmission range, this compact and wireless system ensures you never miss a visitor, no matter where you are in your home.

FEATURES

- Simple plug-and-play setup – no wiring required
- Battery-operated doorbell button for flexible placement
- Long-range wireless signal of up to 100 metres
- Compact receiver fits easily on a shelf or counter
- Fully compatible with Bellman Visit receivers for visual or vibration alerts
- Durable design suitable for everyday household use
