

BELLMAN VISIT WATCH RECEIVER

SKU: BE3330

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Visit Watch Receiver** is a discreet, wearable alert device designed to keep you connected and aware of important household signals. As part of the Bellman Visit smart home system, it notifies you through strong vibrations on your wrist when events such as doorbells, phone calls, baby monitors, or smoke alarms are triggered. It provides mobility, independence, and peace of mind for users who are deaf or hard of hearing.

FEATURES

- Vibrates on the wrist to alert you to doorbells, phone calls, baby monitors, or smoke alarms
- Wearable design for freedom of movement and 24/7 awareness
- Customisable vibration patterns for identifying different alerts
- Rechargeable and comfortable to wear throughout the day or night
- Connects via the Bellman Visit Bridge to Visit receivers and the Bellman Phone App

SPECIFICATIONS

- **Function:** Wireless wrist receiver for the Bellman Visit alerting system
- **Alert Type:** Vibrations with custom patterns for different transmitters
- **Connectivity:** Requires the Bellman Visit Bridge for system and app pairing
- **Range:** Up to 100 m (depending on environment)
- **Power Supply:** Rechargeable battery with included charging accessories
