

BELLMAN WATCH AND BRIDGE PACK

SKU: BE3350

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Bellman Watch and Bridge Pack** provides reliable, mobile alerts directly to your wrist, ensuring you never miss important notifications from your Bellman Visit system. The Bellman Watch vibrates and displays clear visual icons for events such as doorbells, phone calls, baby monitors, or smoke alarms. The included Bellman Bridge extends communication throughout your home and connects to your smartphone via the Bellman Assistant App for added flexibility and remote awareness.

FEATURES

- Vibrating wrist alerts with illuminated symbols for doorbell, phone, baby cry, and fire alarms
- Bridge unit enables communication between Visit transmitters and the Watch Receiver
- Connects to smartphones via Bluetooth using the Bellman Assistant App for mobile notifications
- Reliable coverage up to 100 meters around the home
- Rechargeable and comfortable for daily wear
- Ideal for users who are deaf, hard of hearing, or require discreet alerts
