BETTERLIVING MULTI FUNCTION LIGHT

SKU: NL-UNL2

PRODUCT DESCRIPTION

Purpose & Benefits

The BetterLiving Multi Function Light is a compact and versatile emergency lighting solution designed for personal safety and convenience around the home. This rechargeable LED light can be used as a power failure night light, motion sensor hallway guide, torch, or bedside lamp—making it ideal for aged care, disability support, or general household use.

When plugged into a wall outlet, it automatically activates during power outages, ensuring continuous lighting when it's needed most. With its built-in motion sensor and easy-grip design, the light helps prevent trips and falls in low-visibility areas like hallways, bedrooms, and bathrooms.

Features

- 3-in-1 design: emergency light, night light, motion sensor light, and torch

- Automatically activates during power outages

- Built-in PIR motion sensor for hands-free use

- Detachable LED torch with ergonomic grip

- Long-lasting rechargeable battery

- Compact, lightweight, and easy to install

- Ideal for aged care, home safety, and mobility support

- Wall mountable or portable for flexible use

Specifications

- Overall height: 107 mm
- Overall width: 70 mm
- Overall length: 98 mm
- Torch height: 95 mm
- Torch width: 35 mm
- No batteries required
- Lighting: 5 hours (torch)
- Sustained charge: 30-day period (when fully charged)
- Product weight: 200 g
