

BROLLY SHEETS COOLING SHEET

SKU: COOLQFIT

PRODUCT DESCRIPTION

Purpose & Benefits of the Brolly Sheets Cooling Sheet

The Brolly Sheets Cooling Sheet is designed to offer a cool and comfortable sleeping environment, making it ideal for individuals who experience night sweats or warm sleeping conditions. Made from breathable, moisture-wicking fabric, this cooling sheet helps regulate body temperature, ensuring a restful night’s sleep. It is perfect for use in homes, care facilities, or anywhere a cooler sleep surface is needed, promoting better sleep quality and comfort throughout the night.

Key Features

- **Cooling and Breathable Fabric**: The sheet is made from moisture-wicking fabric that draws heat away from the body, creating a cooler sleeping surface for enhanced comfort.
- **Moisture-Wicking Technology**: Designed to absorb moisture, the sheet helps keep the user dry throughout the night, making it ideal for managing night sweats.
- **Soft and Comfortable**: The cooling sheet offers a soft, gentle touch against the skin, providing a comfortable and soothing sleep experience.
- **Easy to Fit and Remove**: The sheet can be easily placed over existing bedding, offering a quick and simple solution for hot sleepers.
- **Machine Washable**: Designed for easy care, the cooling sheet is machine washable, ensuring it stays fresh and clean with minimal effort.
