

## BYACRE CARBON OVERLAND - DAYPACK

SKU: 20202

## PRODUCT DESCRIPTION

### Purpose & Benefits

The **byACRE Carbon Overland - Daypack** is designed to enhance your mobility and convenience, whether you're out exploring or just running errands. It securely attaches to the Carbon Overland or Ultralight rollator so you can carry essentials hands-free on walks, rough terrain or in urban settings. When detached, it transforms into a standalone bag with soft carry handles, preserving its usefulness beyond just rollator use. Built to withstand wear, weather and bumps—with water repellent lining, firm base and elastic & hook system—it helps you stay organised, prepared and comfortable whenever you're on the move.

### Features

- Lightweight, practical material that is easy to fold and wipe clean
- External stash pocket, side tie-out loops and front daisy chains for attaching extra gear
- Weather and wear resistant exterior with water repellent bottom and interior
- Easy to attach and detach to the Overland rollator with hooks and elastic supports
- Soft carry handles allow it to be used as a standalone bag
