

BYACRE OVERLAND BACK REST

SKU: 20206

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **byACRE Overland Back Rest** provides comfortable lower-back support while seated on your rollator. Designed to replicate the feel of a chair back, it offers both comfort and stability during rest breaks, making it an ideal companion for longer strolls or outdoor adventures.

FEATURES

- Supports the lower back while seated on your rollator
- Ergonomic shape designed to simulate a traditional chair back
- Height adjustable for a personalised and comfortable fit
- Made from durable, lightweight PE thermoplastic
- Soft, stable and weather-resistant construction
- Easy to attach and detach without tools
- Compatible with the byACRE Overland and Wide Track byACRE Ultralight
