PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **byACRE Overland Cane Holder** is a smart, easy-to-use accessory that keeps your cane securely attached to your rollator while walking. Designed for convenience and practicality, it ensures you can carry your cane hands-free, so you never have to choose between using your rollator or your cane.

FEATURES

- Securely holds your cane while walking with your rollator
- Includes two top clips for a perfect fit, regardless of cane size
- Simple to attach, detach, and use daily
- Bottom drain prevents buildup of water or dirt for easy maintenance
- Durable and lightweight construction for long-lasting use
- Compatible with the Carbon Overland and Carbon Ultralight rollators (colour may vary slightly on Ultralight)
