## PRODUCT DESCRIPTION

### Purpose & Benefits of Carilex Coziny 200 Mattress

The **Carilex Coziny 200 Mattress** is a high-quality static foam mattress designed to deliver effective pressure redistribution and comfort for individuals at low to medium risk of pressure injuries. Engineered with a multi-layered foam core and castellated top layer, the Coziny 200 enhances immersion and envelopment, helping to minimise shear and pressure on vulnerable areas.

Its durable construction and lightweight design make it a practical choice for hospitals, aged care facilities, and home care environments. The vapour-permeable, waterproof cover ensures a hygienic surface while promoting airflow and skin integrity, supporting safe and comfortable long-term use.

### Key Features

- Static foam mattress for low to medium-risk pressure injury prevention
- Multi-layered foam with castellated top for enhanced pressure redistribution
- Lightweight and durable construction for ease of handling
- Vapour-permeable, waterproof cover for comfort and infection control
- Supports proper posture and spinal alignment

- Low-maintenance solution suitable for a range of care settings
- Ideal for hospitals, aged care, and home use
