

COBALT HEALTH CLASSIC AIR PRESSURE CARE CHAIR

\$2,300.00

SKU: C01-CLASSIC-BLU

PRODUCT DESCRIPTION

Purpose & Benefits

The Cobalt Health Air Chair Classic is designed to provide superior comfort and pressure relief for patients who require extended seated care. With a focus on both function and support, it combines deep, pressure-reducing foam with high backrest design, lateral supports, and adjustable leg elevation, making it ideal for hospital, aged care, or home environments.

Fitted with large rear wheels and front castors for smooth manoeuvrability, the chair can be positioned or reclined to suit individual needs and safely locked in place. It's an ideal choice for patients with low mobility, offering improved positioning, circulation support, and enhanced comfort for longer durations of sitting.

Features

- High-back design with lateral support wings
- Deep pressure-relieving foam seat and backrest
- Tilt-in-space recline function
- Height-adjustable leg rest
- Padded armrests for added comfort

- Swing-away and removable leg supports
- Easy-rolling rear wheels and front castors
- Lockable castors for secure positioning
- Suitable for hospitals, aged care, or in-home use
- Designed for users with low mobility or postural care needs
