\$134.00

SKU: A100011300

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Complete Sleeprrr Plus Adjustable Memory Foam Pillow, in its extra soft version, offers a unique blend of comfort and customization to ensure users enjoy a good night's sleep. Its adaptability means it caters to various sleep postures, offering relief from common sleep-related issues.

FEATURES

- **Adjustable Contours:** Removable inserts allow users to change the pillow's shape and height to suit individual preferences.
- **Extra Soft Memory Foam:** Specifically designed for those who prefer a softer, plush feel without compromising on support.
- **Therapeutic Design:** Promotes correct spinal alignment, which can help reduce snoring, neck pain, and headaches.
- **Cervical Support:** Provides additional support to the neck area, ensuring the neck's natural curve is maintained.
- **Hypoallergenic:** Made of materials resistant to allergens, making it suitable for people with allergies.
- **Ventilated Design:** Ensures better airflow, helping to regulate temperature and prevent overheating during sleep.
