- Designed to help alleviate and avoid neck and shoulder stress and muscle stiffness in both immediate and chronic injuries.
- Traditional Foam 'Noodles' in the CoreFoam surface can be removed to make for an even softer pillow surface.

"Very supportive and comfortable pillow that I take everywhere with me. I also have the travel version. Accommodates me to stay asleep on my side or back. The only thing is because it's memory foam it can go a bit firm in winter but despite that, I love my pillow to bits"
