SKU: 400187

PRODUCT DESCRIPTION

Purpose & Benefits

The **Comseat Bariatric Albany Semi Adjustable Patient Care Chair** is a durable and hygienic seating solution designed for patient care environments that demand strength, adjustability and infection control. Built with a unique fully wrapped seat design and heavy-duty materials, it provides superior cleanliness, comfort and support for bariatric users. Ideal for hospitals, clinics and aged care facilities, it offers both adjustability and long-lasting performance in high-use environments.

Features

- Fully wrapped seat design eliminates exposed timber, staples or base cloth to enhance infection control
- Heavy-duty polyurethane arm pads with smooth surfaces prevent bacterial build-up
- Back depth adjustment for personalised patient comfort and posture support
- Leg height adjustment for ergonomic positioning and accessibility
- Durable, easy-clean construction ideal for healthcare and bariatric care settings

- Designed and manufactured in Australia for quality and reliability
