

ENABLE LIFECARE CONFIGURA BARIATRIC CASTELLATED FOAM CUSHION

SKU: CA2434

PRODUCT DESCRIPTION

Purpose & Benefits

The **Enable Lifecare Configura Bariatric Castellated Foam Cushion** is designed to reduce pressure and support users at high risk of developing pressure injuries, provided their skin remains intact. Its castellated foam surface promotes better immersion and even weight distribution for enhanced comfort.

Features

- Pressure-reducing design helps prevent pressure damage
- Recommended for individuals at high risk with intact skin
- Castellated top surface made from standard foam for better immersion
- Softer alternative for users who find Visco cushions too firm
- Suitable for users with reduced core body heat to maintain comfort

Specifications

- **Compatibility:** Configura Bariatric chairs

- **Cushion Type:** Castellated standard foam
