## PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

The Conni Anti Slip Floor Mat Stepping Stone is designed to sit firm and flat on the floor to help prevent trips and slips in areas where liquid might be spilt. The Conni Anti Slip Floor Mat Stepping Stone is an excellent addition beside a bath, on the floor in front of sinks in bathrooms, kitchen and laundry, at the entrance into the home, and anywhere fluid may be present.

Conni floor mats are extremely low profile and remain firm and flat on the floor, reducing the risk of slips, trips and falls.

### KEY FEATURES

- The Anti Slip Floor Mat's serviceable colour is not only stylish but practical, expertly concealing moisture and stains for a perpetually clean appearance.
- Convenience and durability converge in this mat, engineered to withstand heavy traffic areas while offering simple upkeep.
- An innovative addition to any space, this mat features an on-trend 'stepping stones' design, infusing a touch of modern elegance into your home or workplace.
- This floor mat is not just beautiful and functional; it's also quick and easy to clean, saving you time and effort, and making it an ideal choice for busy environments.

Conni Absorbent Anti Slip Floor Mat has high performance and is best achieved when the mat is used on a clean, smooth and flat non-textured floor.
