PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Conni Absorbent Mat is designed to sit firm and flat on the floor to help prevent trips and slips in areas where liquid might be spilt. The mid or long runner is an excellent addition beside a bath, on the floor in front of sinks in bathrooms, kitchen and laundries, at the entrance into the home and anywhere fluid may be present. **Available in Grey and Pebble.**

Conni floor mats are extremely low profile and remain firm and flat on the floor reducing the risk of slips, trips and falls.

Anti-Slip performance is best achieved when the mat is used on a clean, smooth and flat non-textured floor.
