PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Conni Leak-Proof Chantilly is waterproof and absorbent underwear designed to absorb and protect.

Conni Chantilly's features our four-layer protection from the front waistband to the back waistband and a lower-cut leg embellishment with delicate lace. Slim, fashionable and discreet, these underwear are suitable for light incontinence and excessive perspiration, providing confidence for everyday life, sports, menstruation or pre/postpartum.

Lightweight and easy to use, machine washable and tumble dryer safe; Conni underwear can be reused countless times. A cost-effective and environmentally sustainable alternative to disposable products.

Care Instructions

Machine washable and tumble dryer safe, Conni products can be used countless times!

For best results, wash with WARM or COOL water and a good quality laundry detergent. Conni Absorbent products dry quickly on the clothesline or in the tumble dryer on LOW heat. Too much heat can damage the waterproof layer.

- Do not use fabric softeners.
- Do not use bleach.
