SKU: 6604-3-OB-H

PRODUCT DESCRIPTION

Purpose & Benefits of Conni Kids Swim Shorts

Conni Kids Swim Shorts are designed to provide children with a safe, secure, and confident experience in the water. These reusable swim shorts are particularly useful for children who are not yet fully toilet trained or those who require additional protection due to incontinence. They are crafted to contain both bladder and bowel matter, ensuring that any accidents remain contained, which is crucial for maintaining hygiene in public or private swimming areas.

Features

- **Reusable and Eco-Friendly:** These swim shorts are designed to be washed and reused, offering a cost-effective and environmentally sustainable alternative to disposable swim products.
- **Secure Fit:** The shorts feature an adjustable drawstring and toggles at both the waist and leg openings, ensuring a snug and comfortable fit that prevents leaks.
- **Comfortable Design:** Made with a soft and flexible fabric, these shorts are comfortable to wear and allow for a full range of movement in the water.
- **Built-in Brief:** The integrated brief is designed to securely capture any solids, providing added peace of mind for both parents and children.

Conni Kids Swim Shorts are an excellent choice for families looking to ensure that their children can enjoy swimming without worry, whether in pools, at the beach, or during swim lessons.
