PURPOSE & USES

ResMed CPAP Mask Wipes are a ready-to-use, fast and easy cleaning solution for any CPAP mask. To optimise the seal of masks, facial oils should be removed from the cushion daily or after each use. Using CPAP Mask Wipes, you can wipe your mask clean from any residue from the night before and enjoy all the benefits of a fresh, clean mask.

Our Mask Wipes come in a convenient container size with 62 wipes, perfect for traveling or daily home use.
