

## HEMECRAFT CRUTCH PADS FOR UNDERARM CRUTCHES - 2 PACK

**SKU:** JAN-JMC2014

## PRODUCT DESCRIPTION

### Purpose & Benefits of the Homecraft Crutch Pads for Underarm Crutches - 2 Pack

Homecraft Crutch Pads are designed to enhance comfort and reduce the discomfort associated with prolonged use of underarm crutches. These pads provide cushioning for the underarm and shoulder area, helping to prevent soreness, bruising, and irritation from the hard surfaces of crutches. Ideal for individuals recovering from injuries, or surgeries, or those with chronic conditions that require extended use of crutches.

### Features

- **Cushioned Comfort:** Made with soft, high-density foam, these pads offer significant cushioning that helps alleviate pressure on the underarms and shoulders.
- **Easy to Install:** The crutch pads are designed for quick and easy attachment to the top of underarm crutches, fitting securely without sliding or requiring complex adjustments.
- **Durability:** Constructed from durable materials that withstand regular use and resist compression, ensuring long-lasting comfort.
- **Universal Fit:** Sized to fit most standard underarm crutches, making them a versatile choice for a wide range of users.
- **Hygienic:** The materials used are easy to clean and maintain, helping to ensure a hygienic solution for daily crutch use.

### Specifications

- **Packaging:** Sold in packs of two to accommodate both crutches, providing a consistent comfort experience.

- **Installation:** Slip-on design for easy placement and secure fit.

Homecraft Crutch Pads are a necessary addition for anyone looking to increase the comfort of their underarm crutches. By providing extra padding, these pads help make mobility with crutches a more bearable and comfortable experience, especially during extended use periods.
