PRODUCT DESCRIPTION

Purpose & Benefits of Cubii Go Portable Elliptical Machine

The Cubii Go Portable Elliptical Machine is designed for ultimate portability and convenience, offering a low-impact workout that enhances strength, cardiovascular health, and mobility from anywhere you prefer to sit. This seated elliptical machine is ideal for those looking to increase their physical activity in a safe and comfortable manner, whether at home, office, or while travelling.

Features

- **Portability:** Equipped with a double telescopic handle and built-in wheels, making it easy to transport and store.
- **Adjustable Resistance:** Features 8 resistance levels, allowing users to customise the intensity of their workouts to fit their fitness levels.
- **Compact Design:** Its sleek and compact design makes it unobtrusive, fitting seamlessly under desks or in small living spaces.
- **Digital Display:** Includes a large illuminated LCD screen that tracks fitness metrics such as calories burned, distance travelled, and active minutes.
- **Quiet Operation:** Engineered to be whisper-quiet, making it suitable for use in shared spaces without causing disturbances.

Specifications

- **Weight:** 8.8 kg
- **Dimensions:** 62.23 cm x 44.45 cm x 22.86 cm
- **Level Of Resistance:** 8
- Built In **LCD**

The Cubii Go Portable Elliptical Machine is a versatile fitness tool that makes it possible to maintain an active lifestyle regardless of space and time constraints. It's an excellent option for office workers, those with limited mobility, or anyone looking to get more active with minimal joint impact.
