PURPOSE AND BENEFITS

Cura1 Wireless Floor Mat has the benefit of wireless out of bed detection methods in that there are no messy wires or potential trip hazards. As the resident places their foot on this floor mat the carer will be notified via the facilities nurse call system. This Cura1 brand mat has a "yoga" soft top and is waterproof and washable. It is low profile and made of a non-slip material. It has a press-stud protective pocket to house the transmitter/battery pack (sold separately).

Wireless floor mats and transmitter/battery packs are sold separately.

The transmitter/battery pack which is required for this mat is the <u>Cural Transmitter Module</u> and the Monitor is the <u>Cural Cordless Falls Monitor</u>.
