\$284.00

SKU: CURA PENDANT KIT

PRODUCT DESCRIPTION

The Cura1 Fall Prevention Pendant Kit is designed to help monitor and protect individuals at risk of falls, providing early detection and timely alerts. This kit offers a reliable solution for caregivers, ensuring swift communication and enhancing safety measures in home or care facility environments.

This Kit Includes:

- **Cura LED Pager:** Instantly receives fall detection alerts for prompt action.
- **Cura ActiveCare Pager Soft Cover:** Protects the pager while providing comfortable usage.
- **Cura Personal Emergency Transmitter (PET):** Allows individuals to send emergency alerts with ease, ensuring rapid response in critical situations.
